

COVID 19 UPDATE

Based on the Guidance provided by Florida Department of Education.

Dear PBCA Lake Park Parents,

Children with COVID-19 generally have mild, cold-like symptoms, such as fever, runny nose, and cough. Vomiting and diarrhea have also been reported in some children. We ask students and staff to wash their hands frequently.

Students and employees with a positive COVID 19 test result are required to quarantine (stay home) for 5 days and be fever-free for 24 hours before returning to school.

Employees are no longer required to wear facial coverings.

Dr. Anthony Bryan

Head of School

PBCA
